Case# 98F09296 #94501447

I have to resort to asking you for a motion

- of transcripts or 2 if necessary since I've been denied (PR)  
law library here for 10 months from a surprise transfer  
from New Folsome Prison. **WHA**

Also need to know if I still have a right to a  
federal trial, due to my appeal notice being 2 days late from  
a late issue of Notice of Appeal forms at New Folsome,  
where I was after my trial in superior court where I took -  
the fifth amendment since wasn't granted a change of venue  
due to 2 midnight cell raids while going to court from -  
Sacramento county jail, the 1st cell raid two men held  
me so another bent my left arm back to fracture my elbow.

The second cell raid they did the same to my right elbow,  
to have the second cast on while going to court.

Another difficulty is my 3 boxes of 8000 legal work  
is being withheld at New Folsome for the 10 months so far  
I've been here from a surprise transfer.

I've sent 3-602 forms to New Folsome since the 2-  
602s here were denied here.

P.S. Please give some basic advice, or even a potentially legal  
address I can get a reply from at least for legal forms?

• address of where to send for transcripts?
